

FUTSAL 4 INDIVIDUALS – CODE OF FUTSAL GOOD TIMES

Futsal good times are just around the corner. Things will be happening soon and yours and everyone else's enjoyment is dependent on our Futsal community playing together with the same goals. The literal goals will always be there, but the metaphorical goals of playing with respect and the right attitude is what Futsal 4 Life is all about.

Futsal 4 Life has an expectation of acceptable behaviours in our Futsal Leagues. Our priority is for player safety. Let's work together to ensure we are all enjoying the games. Futsal players are expected to engage in our Futsal leagues with respect for all the elements including players, staff and the venue.

1. Adhere to our Rules of Play. Essential bedtime reading.
2. Fair Play and Honesty is our mantra.
3. Respect all participants which includes their gender, skillset, cultural background or religion.
4. No insulting or harassing people.
5. The safety of opposing players should be in the forefront of your mind.
6. Be in control of your physicality always. Ensure that you can stop to avoid collisions. Keep those limbs out of harm's way.
7. Winning at all costs is diametrically opposed to our ethos, so if you harbour these feelings then you should play elsewhere.
8. Avoid swearing.
9. Engage with our staff with respect.
10. Substitutions. Players must rotate fairly with teammates. Sharing is caring.

Players that do not abide by our Code of conduct will be subject to potential sanctions of:

- *Warning*
- *Suspension*
- *Removal from Leagues*

Enjoy the game. Be yourself. Futsal shine on! Whatever that means 😊
